I, Andrew Stewart, a Special Agent with the U.S. Department of Homeland Security, Homeland Security Investigations (HSI), being duly sworn, hereby depose and say I was part of this investigation, and was also informed by Zachary Wimer, also a Special Agent with HSI:

On March 2, 2018, at approximately 0330 hours, HSI Omaha Special Agents attempted to execute two tracker warrants at 424 Hascall Street, Omaha NE. During the execution they were approached by the target John NICHOLS. During his approach he was observed carrying a handgun, and prior to this contact agents were aware that NICHOLS was a convicted felon. NICHOLS was then arrested. NICHOLS gave a consent search his rented garage at 424 Hascall Street, Omaha, NE. The search of his garage yielded approximately thirteen pounds of methamphetamine, approximately one kilogram of cocaine, three handguns, a shotgun, and approximately \$10,000 U.S. currency. The methamphetamine and cocaine were both later field tested. Both tested positive for methamphetamine and cocaine, respectively. During a post-Miranda interview, NICHOLS admitted to distributing methamphetamine approximately one to five times a week in the Omaha metro area. On each occasion, NICHOLS distributed between one to five pounds of methamphetamine.
